

Spiritual Gifts Survey

April 29, 2024

Dear brothers and sisters in Christ,

As you know, we recently completed a five-week sermon series focused on spiritual gifts. This series was called Unleashed and focused on 1 Corinthians 12-14. Along with the sermon series, small groups were formed to meet throughout the five weeks and we encouraged everyone, even if they weren't in a small group, to complete a spiritual gifts inventory.

I'm happy to report that more than 100 people have completed the spiritual gifts inventory. To date, we have received results for 104 individuals, many of whom completed the survey online. We know others completed the paper version that was included in the small group study guides. What's so exciting is that many of the spiritual gifts mentioned in Scripture are represented here at Shepherd. The most prevalent gifts among us here are faith, giving, service, and mercy. Hospitality and administration are also well-represented.

In the near future, I'll be sharing ways that each spiritual gift can be used to help carry out the ministry here at Shepherd and serve those outside our walls. Stay tuned for that! And if you haven't taken the spiritual gifts inventory yet, it's not too late. Click [here](#) to explore how God has uniquely gifted YOU!

Peace,
