

School Ministry Update

Principal Rohr's Big 4

February 24, 2025

This past month has been nothing short of extraordinary for SHLS, as both our current and former students showcased their incredible talent, hard work, and dedication across a variety of competitions. From agriculture to athletics, academics to the arts, our students have proven that excellence is alive and well at Shepherd. Keep reading to see how these outstanding individuals are making a mark and bringing pride to our school!

Our Junior High boys and girls basketball teams competed in the State Basketball Tournament. The boys team placed 7th in the Gold Bracket, while the girls team placed 4th in the Silver Bracket. Both teams played exceptionally well and represented SHLS with pride and sportsmanship. We are proud of their hard work, dedication, and commitment to excellence on the court!

On Saturday, we had the honor of hosting the Elite 8 playoff game between Lutheran High School and Keystone. Six former graduates of SHLS played in the game, and it was a joy to witness their continued

excellence on the court. We are thrilled to share that LHS walked away with a victory!

Agricultural Excellence:

Julian Avila (Class of 2021) placed first in class in the Agricultural Mechanical Competition at the prestigious San Antonio Stock Show and Rodeo. Julian built an outdoor shower that impressed both judges and competitors alike, showcasing his skill and passion for the craft. We are so proud of his success!

Academic Achievements at the Alamo Regional Science Fair:
Our 8th-grade students also made us proud at the Alamo Regional Science Fair. Their hard work and dedication paid off in remarkable ways:

- Alexa V. earned Honorable Mention in Microbiology.
- Addie F. placed 4th in Engineering.
- Wendy A. and Charlotte R. secured 4th place in the Junior Team category.
- Isaac C. earned 3rd place in Behavioral and Social Sciences.
- Evelyn placed 3rd in Botany and was awarded a special \$150 prize from the Men's Garden Club of San Antonio for her outstanding work.
- Eliana earned 2nd place in Biochemistry.

Arts Victory:

We are also excited to announce that our Junior High Drama Team finished second place in the PSIA District One Act Play competition! The team's hard work and dedication paid off, and we couldn't be prouder of their accomplishment.

Several of our talented students received individual awards:

- Best Tech: Charlotte (8th Grade)
- Honorable Mention Cast: Eliana (8th Grade), Juliet (7th Grade), and Leylah (8th Grade)
- All Star Cast: Scarlett (7th Grade), Gaby (7th Grade), and Eric (8th Grade)

We are filled with gratitude and excitement as we celebrate these wonderful accomplishments! God has truly blessed our students with talent, and we are eager to see how they continue to grow and excel in all areas of life.

Let us continue to lift our students up in prayer, supporting them in

their endeavors, and praising God for the many blessings He has given them. Go Rams!

Guiding His Children,
Katy Rohr
