

NEXT Campus Improvements from Jeremy Gawf

February 19, 2025

The marquee has been installed. The colors match the Family Life Center very nicely. This project took a while to get to the finish line, but we are finally here. I can't wait to see the impact the new marquee will have on the organization. It will streamline our ability to reach the community.

With the big 2023-24 projects (playground, FLC letters, and marquee)

behind us, it's time to look at 2025 projects. Here are a few things to come in the first part of this year:

- The letters on the church building exterior will be getting a much-needed facelift.
- The Worship Center will be repainted.
- Church building light switches and electrical outlets will be changed to white.

I can't wait to get these projects started and have a strong 2025!

Blessings,
Jeremy A. Gawf
