

NEXT Campus Improvements from Jeremy Gawf

November 19, 2024

NEXT campus improvement: The time has come. The old playground has been removed, and we have started the preparation for the new playground. We have moved a lot of pea gravel around the campus. Some of the locations include the side of the church and a rock pit area for the children, as well as the back preschool playgrounds. Over the next few weeks, you will see the new playground being installed.

The marquee and FLC building letters will be installed soon. Both projects are with the city waiting on permitting.

Holes are being dug for the placement of playground equipment.

The new bonded rubber surfacing will run along narrow sidewalk areas, creating more walk space.

Blessings,
Jeremy A. Gawf
