Compassion International Event: May 17 & 18

Next weekend is Compassion International Saturday and Sunday. Compassion International is a Christian ministry that partners with churches across the globe to release children from poverty in Jesus's name. As a sponsorship ministry, it connects you with a child in another country in a way that is Christ-centered, church-driven, and child-focused.

Deb Woods will be available in the foyer this weekend after Saturday's service and on Sunday between the 9:00 and 10:30 services. This is an excellent opportunity to learn more about Compassion International.

Stop by the tables this weekend to discover more about this impactful ministry and learn how you can get involved, whether as an individual or as a family. Your sponsorship can change a child's life and provide them with hope and the love of Christ.

We look forward to seeing you and sharing how you can make a difference in a child's life through Compassion International.
