

School Ministry Update

Principal Rohr's Big 4

November 26, 2024

The month of November has been filled with memorable events and valuable opportunities for our students. These experiences have helped foster a sense of community and engagement within our school. Read below to learn more about some of the events we've celebrated this month.

Election Day 2024

On Tuesday, November 5, students in PreK through grade 8 practiced their right to vote by participating in a mock election. A polling site was set up for students to cast their vote for the best Biblical leader. During our November First Friday Spirit Rally, candidates David, Peter, Moses, and Paul presented their campaign speeches, outlining why they should be elected. This activity aimed to engage students in the voting process and encourage discussions about leadership.

Veterans Day RAM Band Concert

Thank you to Mr. Urban and all of the RAM band students for their exceptional performance at this year's Veterans Day concert. Your preparation, hard work, and musical talent truly shone through as you honored our veterans with such a memorable event. The students' professionalism and passion were evident in every piece, and it was clear that a great deal of time and effort went into making this concert a success. Thank you again for your hard work and dedication.

Chapel Partners

This year, we've brought back one of our favorite traditions—Chapel Partners. Our older students are paired with younger students, and on the last Wednesday chapel of each month, they sit together for worship. This special time fosters a sense of mentorship, where our older students have the opportunity to model positive behavior and leadership for their younger partners. It's a great way to inspire role modeling, build relationships, and strengthen our school community.

Thanksgiving Luncheon

Friday, November 22, we came together with our families for our annual Thanksgiving Luncheon. Pre-Kindergarten through 5th grade students performed songs and a festive skit. Our middle school students reflected on

the simple things they are thankful for, which were shared in a slideshow "2024 Litany of Thanks" presentation. You can view the slideshow [here](#).

Bonus Big 4: Raise Right Program

This month, I'm excited to share a bonus Big 4! We are part of the Raise Right Program, formerly known as Scrip. With the holidays approaching, you can shop online at the Raise Right store. These gift cards make excellent gifts for Christmas, birthdays, or for everyday use at places like HEB! A portion of the proceeds will come back to Shepherd of the Hills Lutheran School (SHLS). The next deadline for submitting orders is November 30.

If you have any questions email Susan Larssen at slarssen@shlutheran.org.

Thank you for your continued support and prayers for our school community.

We are grateful for all the ways you contribute to making Shepherd of the Hills Lutheran School and Child Care a wonderful place for our students to grow and learn. Wishing you all a joyful and blessed Thanksgiving!
